Elder Services maintains a complete list of transportation options available - please call Elder Services (and ask for Information & Referral).

### **Subsidized Taxi Tickets**

If you are disabled and unable to use a bus, you may apply to the BRTA to determine your eligibility to use the subsidized taxi tickets. (For example, you may also be eligible for these, if you use canes or crutches.) You purchase these at a cost of \$0.80 on the dollar and you pay the metered fare with these tickets. The reduced fare comes at purchase, not at payment of fare.

### **Medical Transports Through MassHealth Payment**

Those with Standard and CommonHealth Masshealth can have your primary physician, as well as all your other doctors/dentists, fill out PT-1 (Prescription for Transportation) forms (preferably on-line), in order for Masshealth to pay for your transports. On these forms your doctors have to note how many round-trip transports you will need, either annually or to complete your care. Any location change or new doctor requires a new, completed PT-1 form. These PT-1 forms are also required to be updated annually or as needed.
